Proceed to Baggage Claim and get your bags. Meet your group at the Information Desk.

One of you should call Skylink at 919-233-3952, Option "Dispatch."

Notify the attendant that you are with the SBSI group and are ready for pick up.

Follow the attendant's instructions to exit the airport and proceed to Zone 4 if you are in Terminal 1 or to Zone 15 if you are in Terminal 2.

Notes: (a) The Shuttle times are approximate, the shuttle stops at Terminal 1 first then proceeds to Terminal 2. (b) Those of you flying Southwest should call Skylink when you have your baggage. The attendant will tell you when to exit the airport.

The Shuttle will be clearly marked Skylink and have a Duke University Summer Biomedical Sciences Institute sign.

Problems, call the Multicultural Resource Center at 919-684-5882.
